Brand Story

*At Lamont Flooring, our story is one of deep respect and heartfelt tribute to a remarkable mentor and master in the timber industry: **Mr. Lamont.***

Mr. Lamont was not just an Australian expert in timber flooring and plywood; he was a visionary whose influence spanned across continents, from Australia to the Cook Islands, the Marshall Islands, and Palau in the Pacific Ocean. His entire life was dedicated to the craft of timber, where he built several plywood factories, imparted knowledge, and solved complex challenges with unwavering kindness and a keen sense for innovation.

Today, we at Lamont Flooring carry forward his dream. Our brand is dedicated to honoring his memory by setting a new standard of excellence in the flooring industry. Through our innovative designs, unparalleled craftsmanship, and exceptional customer service, we strive to reflect the spirit of Mr. Lamont—his dedication, kindness, and commitment to quality. We are here to make his dream a reality, to build not just a brand, but a legacy that resonates with the values he cherished throughout his lifetime.

Headquartered in California

Lamont Timber Creations Inc., Headquartered in California, is a premier provider of engineered wood flooring solutions. With over 20 years of dedicated experience, we have honed our expertise in delivering top-notch timber flooring that seamlessly blends aesthetic appeal with exceptional durability. Our commitment to quality and innovation has established us as a trusted name in both the commercial and residential sectors.

Heritage

Projects & Inspirations

Lamont Flooring has become the trusted and preferred choice for some of the world's most prestigious developments, where design excellence and exceptional quality are paramount. From luxury residences to iconic retail destinations, our floors bring warmth, character, and timeless sophistication to spaces across the globe.

Our reputation spans North America, East Asia, South America, and Australia, where clients choose Lamont for more than flooring—they seek craftsmanship, durability, beauty. Architects, designers, and developers trust Lamont to bring their vision to life, from welcoming hospitality spaces to refined retail and distinctive residences.

Every project tells a unique story of precision and artistry. From European oak to walnut, each plank is carefully crafted to meet the highest standards of sustainability and long-lasting performance. At Lamont, we proudly create exceptional flooring that elevates spaces and inspires all who live, work, and truly experience them.
